### **Selection Criteria**

#### Pricing:

Only those quotes received by the stated deadline will be considered. All quotes, submitted by the deadline, must include price per unit, company name, address, contact person, contact phone number, contact email address, and company website.

#### Expiration, Project Deadline, and Payment:

Quotes must be valid for a minimum of 60 days. Delivery of all the items must occur within 120 days after the order to proceed is given by GCCT. The entire project must be completed no later than May 14, 2019. Payment will be made within 45 days following completion of project and an invoice for same has been received.

#### Award & Procurement Compliance:

After due diligence, GCCT will contact all who have provided quotes no later than January 28, 2019. This project is funded by Federal Transit Administration and Michigan Department of Transportation grants. The federal requirements for this project are the "Materials and Supplies Less Than \$150,000 Clauses", which are attached, and must be signed.

The contract will be awarded to the responsible and responsive bidder with the lowest cost. The attached Certification of Compliance with Federal Contract Clauses, and the Materials and Supplies clauses must be signed and returned with your quote. If one or both are not included, your quote will be considered unresponsive and will not be eligible for this project. GCCT reserves the right to reject any and all quotes or to postpone the due date for sound, documentable, business reasons. The lowest responsive and responsible bidder may have to have a third party subcontract approved by the Michigan Department of Transportation.
