

Quote Specifications for Tablets

Ionia Dial-A-Ride (IDART) is seeking quotes for nine (9) Windows based 10 inch or larger tablets that will be mounted in public transit buses and interface with our current scheduling and dispatching software system. Please note that we are a tax exempt entity. This project is funded 100% with federal/state dollars and any award made is subject to approval by Michigan Department of Transportation (MDOT). This project is **NOT** MiDeal eligible. The lowest quote received from a responsive and qualified party that meets or exceeds the below specifications shall be awarded the purchase. Winning vendor must sign MDOT Appendix B, Certification of Compliance with Federal Contract Clauses (attached) prior to any action occurring on this project.

Tablet Specifications

Windows 10 based operating system

MUST be compatible with PC Trans scheduling and dispatching system, which requires a Windows based tablet

Must be able to load software onto the tablet

Must be capable of having Verizon Wireless connectivity (area service)

Font, resolution, and brightness of screen needs to be adjustable

In vehicle charger

Minimum 10 (ten) inch screen

Minimum of 16GB of storage space

Must have heavy duty protective case that is adaptable to mount in a vehicle

Additional Specifications

Vehicle mounts included with the tablets

Additional charger with each tablet if not compatible with generic chargers

Charging/docking station included for recharging in office each night

At least a one year warranty

Option to purchase additional units at quoted price for up to 6 months

Quote Due Date

Written quote for the nine (9) tablets including mounts, charging station and warranty must be received no later than 07/14/2017 at the Dial-A-Ride office at 251 E Adams Street, Ionia, MI 48846. Quote can be submitted via mail, email, fax, or in person.

Quote **must** include company name, contact person, telephone number and/or email address. Deadline for submitting questions regarding this project is 07/07/2017.

Inquiries pertaining to this project should be made in writing to Heidi Wenzel, Director of Transportation, hwenzel@ci.ionia.mi.us.

Objectives

Tablets and equipment

Vendor must address **all** equipment items listed above or their equivalent.

Vendor selection

IDART does reserve the right to reject any and all quotes for sound documentable business reasons. Vendor selection will be determined based on lowest quote meeting or exceeding tablet equipment list above. Winning vendor will be notified by 07/21/2017 via telephone or email.

Vehicle Delivery

Vendor must be able to make delivery no later than 08/18/2017. Please provide an estimated delivery date with the quote. Invoice for the project must be submitted to IDART at the time of delivery.

Payment to Vendor

IDART will make payment to selected vendor, upon satisfactory delivery of vehicle, within 30 calendar days.
